**A trusted name in Outdoor Cooking
for 42 years!**

The King of Outdoor Cooking®!

Quality Products + Excellent Service=Customer Satisfaction

Metal Fusion, Inc. was founded in South Louisiana in 1979. We enjoy getting together with family and friends in the outdoors to cook South Louisiana Foods and to have fun! We embrace the culture and flavors of South Louisiana and want to share them with the whole wide world!

We know that folks who use King Kooker® Products can share our love of outdoor cooking, Louisiana Style, with their family and friends.

Our line of King Kooker® Seasonings and recipes make it easy for you to prepare special treats and make them your own by adding your favorite ingredients. Our company and our product line have grown over the years. We are committed to providing our customers with safe heavy duty cookers and quality accessories and seasonings to suit all of your outdoor cooking needs.

King Kooker® CSA Design Certified Outdoor Cookers

*Certified to ANSI Standard Z21.89
Metal Fusion, Inc. has participated in the
development of the ANSI Standard for Outdoor Cookers
for more than 20 years and has invested significant time and
resources to always supply our customers with
safe and dependable outdoor cookers.*

*King Kooker Turkey Fryers are available with
Battery Operated Timer or
Automatic Gas Shut-Off System*

Metal Fusion, Inc.'s Turkey Fryers come in a variety of styles and sizes. Standard features include CSA design certified high BTU outdoor cookers, thermometers, CSA design certified hoses and regulators with battery operated timers or automatic gas shut-off systems for extra safety. The battery operated timer located on the hose/regulator is designed to shut-off the flow of gas after a 15 minute pre-set time period unless manually reset by the user. The automatic gas shut-off system stops the flow of gas when the temperature reaches 475 degrees F. These devices and the supplied thermometers should be used together, along with proper monitoring by the consumer, to assure a safe and successful
